Dear Mrs. Holt,

This little note is being written to offer you my sympathetic appreciation of your moral courage in what must be a very difficult situation. My husband and I are very happy that

- 2 -  
hopeful progress appears to be in the making in your case.

I have one daughter now in Broughton and two to follow and I do want you to believe that there are parents there who can assure you of good will and

belief in the rightness of your action.

Sincerely,

Mary C. Beatty  
(Mrs. Kenneth Beatty)
